

The Inground **Vinyl Liner** pool repair experts!

2020 Spring Opening and Start-up Agreement

Plan A – \$415.00 Includes diatomaceous earth if required.

Includes removal of water bag cover or safety pool cover, re-assembly and installation of handrails and ladders. Re-assemble and startup one pump, one filter, and one heater. (Hot tubs, swim outs, waterfalls, diving boards, and fountains may incur an additional charge.) Cover will be folded up and stored at customer's house. Please indicate if a location other than pool deck (shed, garage, top of driveway) is requested. Clean off deck around pool using leaf blower.

Plan B – \$360.00 Includes diatomaceous earth if required.

Includes re-assembly and installation of handrails and ladders. Re-assemble and startup one pump, one filter, and one heater. (Hot tubs, swim outs, waterfalls, diving boards, and fountains may incur an additional charge.) Cover must be removed prior to our arrival. Clean off deck around pool using leaf blower.

Cleaning up an algae-filled pool can be costly and a lot of work!

Openings DO NOT include the clean-up of a green pool!

Charges will apply (unless otherwise specified) if the pool is green when we open it.

Requirements and Conditions

1. Water level must be brought to the mid-skimmer level or higher. Unless prior arrangements have been made, solid covers must be pumped off, and debris removed, prior to our arrival or additional charges will be incurred at \$65/man-hour with a \$35 minimum.
2. Cleaning the cover is not included, but it is available upon request.
3. If the pool was not closed by APCO additional costs may be incurred depending on the method(s) of winterization.
4. All electrical maintenance and repairs must be performed by a licensed electrician and are not included in a normal opening.
5. If your pool has a salt water chlorine generation system, we will check the salt level and leave the approximate amount of salt unless otherwise noted in the comments and special requests. Salt added will be billed at \$15 per 40lb bag. Typically, pools need approximately 2 – 6 bags each spring.
6. Please have all equipment (ladders, handrails, eyeballs, leaf baskets, plugs) at poolside or let us know where the equipment is located. This will help avoid any return trip charges.
7. If the customer is not home during the opening, any parts that are required to complete the opening more than \$125 (the cost of a return trip) the customer will be contacted for approval. Less than \$125 will be installed and charged to the customer. We will always try to contact the customer whenever possible.
8. APCO reserves the right to; at any time, place an authorization hold, or to preauthorize, any amount required to complete an executed contract including options and fees on the credit card on the contract or on file with APCO.
9. We cannot assume responsibility for delays beyond our control (weather, etc.).

Let APCO take care of your pool !!!

Relax - spend more time enjoying your pool and less time caring for it.

We recommend opening your pool as early as possible.

- When unexpected problems arise there is more time to repair them so the swim season will not be impacted.
 - It costs less to open a pool early and maintain it, than to clear up a green swampy mess.
 - An opened pool will heat up faster than a closed pool. • Less stress and aggravation

Please indicate choice of plan type, options, and preferred week.
An APCO representative will contact you to confirm your choices.

Plan A – \$415.00 **Plan B – \$360.00** (No Cover Removal)

Yes No **Opening Chemical Kit – \$52.00** (Includes algaecide, stain & scale treatment, and shock)

MUST CHOOSE OPTION BELOW OR APCO WILL ADD CHEMICALS

APCO will add chemicals to kill the algae.

Charges will apply for the chemicals added.
The labor to install the chemicals and scrub the walls as required will be billed at \$65/man hour.

Customer will treat the pool for algae.

No additional chemicals will be added.
The pump may be left in the off position after start-up.
This is to prevent equipment damage.

April 6th – 10th April 13th – 17th April 20th – 24th April 27th – May 1st May 4th – May 8th

May 11th – May 15th May 18th – 22nd (Memorial Day is May 25th) Other _____
